LINGUISTIC, LITERARY AND CULTURAL ENCOUNTERS IN ENGLISH STUDIES

29TH ANNUAL CONFERENCE OF THE POLISH ASSOCIATION FOR THE STUDY OF ENGLISH

THE SECOND 2021 CIRCULAR

Since the epidemic situation in our country remains uncertain, we have decided to organize the 2021 PASE Conference online. The conference will take place on **24-26 June 2021** on MS Teams Platform. We would kindly ask all participants to confirm their participation in the conference by **20 March 2021**. pase2021@kul.lublin.pl is the conference email address.

We are happy to announce that since the conference is non-stationary, participation is now free of charge. For that reason we will no longer ask you to fill in the conference registration form. We would kindly ask anyone who would like to receive a document confirming their participation/delivery of a paper to send us a relevant note in the email confirming their participation in the conference. Please make a relevant note also if you do not wish to act as a chairperson during any of the conference sessions.

We are also happy to announce that our keynote speakers continue to include:

PROF. FÁTIMA VIEIRA, UNIVERSITY OF PORTO

PROF. JOHN HARRIS, UNIVERSITY COLLEGE LONDON

PROF. STEVE TOMASULA, UNIVERSITY OF NOTRE DAME

PROF. EWA KUJAWSKA-LIS, UNIVERSITY OF WARMIA AND MAZURY

By the end of April on our conference website – www.kul.pl/pase2021 – you will find brief presentations of our plenary lectures together with the bios of the keynote speakers. Also on our website, before the conference, you will find the conference program and a PDF booklet with abstracts of all papers.

MS Teams is a user-friendly platform, but it runs most smoothly if downloaded on the user's desktop (rather than accessed through a browser). We therefore recommend that you download the application if you have not downloaded it already. MS Teams can be downloaded for free here: <https://www.microsoft.com/pl-pl/microsoft-teams/download-app> Downloading the application should prevent any screen sharing issues. If, to be on the safe side, you would like the host of your session to have a copy of your presentation, please send us a PDF version of your presentation by 15 June 2021.

Preparing your presentation, please note that it should not exceed 20 minutes to allow for a 10-minute discussion.

Should you have any further inquiries, please do not hesitate to write to us!

We look forward to welcoming you all to Lublin via MS Teams!
